Shop Local

COVID-19 presents an unprecedented series of challenges for North Idaho entrepreneurs. Local business is essential for our economy and brings growth and innovation to our area. They provide employment and support local schools, non-profits and communities (such as Broadmoore Estates!). Most are feeling the financial strain and are worried about their future. Here are a few ways to support your local business:

1. Many restaurants offer delivery or curbside pickup, but check for these options at other places too.
2. Buy gift cards for later use from your favorite restaurant, store, hair salon or spa.
3. Tip service workers a little extra.
4. If you learn of a unique promotion or idea from a local business, share it online.
5. Check with a businesses you frequently shop with. They may have altered their services to fit the temporary 'new normal'. For example, your local cleaner now may provide a disinfecting service, or maybe a toy store is now selling homeschool supplies.
